Do you understand these questions about the C6 driver's license for light towing trailers?

Time: January 7, 2022 Font size: [large, medium and small] print

Recently, the Ministry of Public Security announced the "Regulations on the Application and Use of Motor Vehicle Driving Licenses" (Ministry of Public Security Order No. 162), which clearly defines light-duty tractor-trailers, this type of vehicle, and required C6 driving qualifications. Regarding the C6 driver's license, today, the editor specially sorted out several popular questions focusing on answering your questions.

Q: Can this driver's license be used to drive a trailer?

A: No, you need to drive a C6, which is a light-duty tractor-trailer model.

Q: What is the main content of the C6 additional driving test?

Answer: Subjects 2 and 3 are required to take the common sense of safe and civilized driving. The content of the subject includes the pile test, curve driving and right-angle turning of the light tractor trailer test.

Q: Can seniors over 60 drive a C6?

A: No, you must be between 20 and 60 years old to apply for a C6 driver's license.

Q: Can I use my C6 driver's license all the time?

A: No, you cannot continue to drive a light tractor trailer over the age of 70.

Q: Do I need to drive a C6 with an A2 driver's license?

A: No, you do not need to add a C6 with an A2 driver's license. All other driver's licenses need to be added.

Q: Can I directly add a C6 when I just got the C book?

Answer: No, the additional driving C6 must be completed one year after obtaining the C book, and there is no full 12 po a scoring cycle.

Finally, **the Beijing traffic police also reminds the majority of car owners** : the light-duty tractor-trailer defined in the r version of the "Regulations on the Application and Use of Motor Vehicle Driving Licenses" is **a car train with a total mass of than 4.5 tons** , so trailer owners should not only consider their own trailers Pay attention to the weight of the car in front of addition, on the application for the C6 driver's license. The initial application for a C6 driver's license is **not completed by di application** , but only drivers who have had a C1 or C2 driver's license for one year or more and have not scored 12 points in latest scoring cycle can apply for an additional C6 driver's license . After April 1, 2022, all RV enthusiasts can take the additio driving test for the C6 driver's license according to their own conditions. I hope everyone can strictly abide by the relevant regulations and **drive the trailer RV safely and legally** .
